TO WHOM IT MAY CONCERN

I would like to express our appreciation of Business Octane who have designed and executed our **Emergency Command Centre**, which incorporates their **Immersive Dynamic Tele-presence Solution, Collaborator TURBOMAX and Immersive Tele-presence Learning solution Learner TURBOMAX**. It has provided excellent results and we have been delighted to experience the tremendous benefits it has brought to our organization.

Business Octane's end-to-end designed solution that combines the highest level of functionality and aesthetics with utmost simplicity has helped us achieve our desired objectives out of this project.

We are fully satisfied with the quality and performance of the solution implemented and are appreciative of their flawless execution.

I would recommend **Business Octane** to other businesses and look forward to a continued positive relationship with them.
