## To Whomsoever It May Concern

We have been using various A-V equipments supplied by Business Octane Solutions Pvt. Ltd. The after sales support provided by Business Octane Solutions in installation, commissioning, servicing of this equipments has been appreciated greatly. The problems in the machines have been attended in a record time by Mr. Mahendra Jikadara, which also enables us to use the machines all the time when it is required.

We are extremely happy with the services provided by Business Octane Solutions Pvt.Ltd and wish them all the best.
