TO WHOMSOEVER IT MAY CONCERN

We have to advise that our Organisation is using Business Octane's Customised Advanced Video collaboration Solution, X collaborator and this has facilitated us to conduct effective video meetings. We would like to place on records our appreciation for the services extended to us by Business Octane with regard to their quality of product performance and standard of their implementation. With this technology initiative in place we are able to conduct quality and more effective meetings in Bank

2. We are also more satisfied with regard to after sales support rendered by Business Octane and we look forward for the continued relations in future.

Yours faithfully,

CHIEF MANAGER(Comp& Commn)
