

Subject: Don't let sag your senior management's energy & time!

Is frequent travelling from Delhi-Mumbai, Delhi-Bangalore, Chennai-Mumbai or from Bangalore-San Francisco or Delhi-London or Mumbai-New York sapping a lot of energy & time of your senior management?

The big question is **why they travel these odd hours regularly despite having cloud video conferencing available to them** - **Because they seek & crave face to face meeting experiences** which they don't get when they meet like this over cloud video conferencing!

Figure 1 - Your Senior management gets this kind of VC experience when they meet second location over video!

**Don't let frequent flying sap the energy & time of your senior management!**

Presenting Business Octane's new revolutionary Ultra – Immersive Video meeting experience on cloud video platform such as MS Teams, ZOOM, Google meet & others, that will empower your senior management to meet their teams face to face without travelling while simultaneously meeting a whole lot of other team members across the world and that also on their chosen video platform.

**Available Options:**

**1. Cabin room solution!**

**2. Small meeting room solution!**

*Figure 2 - Seeing the gallery view on the upper display while face to face telepresence view on the lower three displays.*

### 3. Medium Size meeting room solution!

Figure 3 Seeing the gallery view on the upper display & telepresence view on lower displays

### 4. Large Size meeting room solution!

Figure 4 Seeing the Telepresence view of VC participants on 3 separate display, gallery view on the upper display and content on the table displays!

**Seeing is believing!**

**Hearing is believing!**
